

### **General**

BREEDERS TRUST considers it important to protect the privacy of its business relations and has taken measures to ensure that the information collected is treated securely and confidentially. In this document, we inform you about the data we collect and how we handle them. By using our website(s), you agree to accept our privacy policy.

BREEDERS TRUST respects the privacy of all users of its site and ensures that the information you provide us is treated confidentially. We take appropriate measures to avoid misuse, loss, unauthorised access, unwanted publication and improper changes. If you have the impression that your data are not properly safeguarded or if there are indications of misuse, contact us via [info@breederstrust.eu](mailto:info@breederstrust.eu).

When obtaining and processing personal data via internet, BREEDERS TRUST complies with the General Data Protection Regulation (GDPR). This Regulation helps protect the privacy of individuals.

### **Personal Data Protection Act**

As of 25 May 2018, the aforementioned General Data Protection Regulation (GDPR) will govern our website(s). This act stipulates the rights of persons whose data are used and the obligations of organisation making use of them. The GDPR is also applicable to data that are processed via the websites [www.breederstrust.eu](http://www.breederstrust.eu) / [www.hoevepootgoed.be](http://www.hoevepootgoed.be) and [www.plantsfermiers.be](http://www.plantsfermiers.be). This means that personal data that are collected, stored, used or made available in any other form, linked in any way or protected, are subject to this act.

### **Definition of personal data**

Personal data is deemed to mean data that can be traced to an identified or identifiable natural person. This means that the name of the person to which the data refer is known, or that the person can be traced. Examples of personal data are a name of a person or a home address, but also e-mail addresses.

### **Dealing with your personal data**

BREEDERS TRUST does not sell your details to third parties and shall only use your personal data for the purpose for which you have provided them. This means that if, for example, you fill in your name and address for the receipt of specific information, these details themselves will not be used for sending other information to you. BREEDERS TRUST does not collect so-called cookies. The data are stored on a secured server. At BREEDERS TRUST we are primarily concerned with data that are necessary for collecting and settling the so-called equitable remunerations in the context of Farm Saved Seed (FSS) and also the enforcement activities connected to this. BREEDERS TRUST might pass your data on to the competent authorities if (alleged) punishable infringements are committed or statements liable to punishment are made via the website (and other exceptions stated in article 43 of the General Data Protection Act).

**More information**

If you object to the processing of your personal data via the websites [www.breederstrust.eu](http://www.breederstrust.eu) / [www.hoevepootgoed.be](http://www.hoevepootgoed.be) / [www.plantsfermiers.be](http://www.plantsfermiers.be), you can inform us of this via email to [info@breederstrust.eu](mailto:info@breederstrust.eu)
